Guarantee

A Saving of 1/3 in Fuel With Soft Coal, Slack or Lignite.

YOU GET YOUR MONEY BACK

You get back the original cost of your stove in the fuel money saved each winter. Could you ask for more? Here is the Guarantee on

Cole's Original Hot Blast Heater

Backed Up in Every Particular by the Makers:

- 1—A saving of one-third in fuel over any lower draft stove of the same size, with soft coal, slack or lignite.
- 2—That Cole's Hot Blast will use less hard coal for heating a given space than any base burner made with the same size fire pot.
- 3—That the rooms can be heated from one to two hours each morning with the soft coal or hard coal put in the stove the evening before.
- 4—That the stove will hold fire with soft coal from Saturday night until Monday morning.
- 5—A uniform heat day and night, with soft coal, hard coal or lignite.
- 6—That every stove will remain absolutely air-tight as long as used.
- 7—That the feed-door is and will remain smoke and dust-proof.
- 8—That the Anti-Puffing Draft will prevent puffing.

"All we ask is that the stove shall be operated according to directions and connected with a good flue."

(Signed) COLE MANUFACTURING CO., Not Inc.

(Makers of the Original Patented Hot Blast Stove.)

This Guarantee *can not* be made on any other heating stove.

If you want economy and real home comfort, come in and let us sell you one of these stoves
